*** Note that the original information wasn't entirely accurate for SW Ontario. The airport is actually just west of Hanover and 1.5 km north of county road 4 along county road 22. Rosalind Lake will pass by on the right, then the airport entrance road on the left side, just before reaching the intersection (22/30). Hope this helps! Airport phones are manager: **1-519-364-3220, Flight School: 519-364-7171, Restaurant: 519-375-6503.**
