

Mark your calendars for the 31st **Annual Forest Health Review!**

When: Thursday, October 25, 2007; 10am – 3pm.

Where: Orillia, Highwayman Inn, 201 Woodside Drive (Coldwater Road exit off Highway 11), 705-326-7343.

We have confirmed some interesting topics and speakers on a number of important forest health issues including:

- Major forest disturbances in Ontario for 2007
- Ontario's 2007 jack pine budworm control program
- Recent developments with Asian long-horned beetle in Toronto and Vaughn
- Current information on European woodwasp in Ontario

Please join us Thursday, October 25 for these and other interesting forest health topics. There is no cost for the meeting and lunch will be provided.

Confirm your attendance before Thursday, October 11 by contacting John Osmok at john.osmok@ontario.ca or 705-725-7561
