Trees Ontario Foundation invites all agencies and volunteers to attend a free

Tree Seed Crop Forecasting Workshop

To respond to an urgent need to replenish supplies of tree seed, Trees Ontario Foundation is conducting tree seed forecasting workshops intended to improve seed collection efficiencies and restore tree seed inventories.

Workshop Locations

Fanshaw Conservation Area	June 12, 2007
Ganaraska Region Conservation Authority	June 14, 2007
Ganaraska Region Conservation Authority	June 16, 2007
Nottawasaga Valley Conservation Authority	June 22, 2007
Ferguson Forest Center	June 27, 2007

For workshop details and agenda please call Trees Ontario Foundation at 1-877-646-1193 or email info@treesontario.on.ca.

Trees Ontario Foundation would like to thank the following workshop partners:

Upper Thames River Conservation Authority
Northumberland Stewardship
