

Early Notice

INVASIVE INSECTS WORKSHOP for PRACTITIONERS

In partnership with the Eastern Ontario Model Forest, the Canadian Food Inspection Agency, the Ministry of Natural Resources, the City of Ottawa, the Canadian Institute of Forestry, the Conservation Authorities and representatives of the arboricultural and forest industry we are pleased to bring to you this practitioners workshop in Eastern Ontario.

Presentations will be made by:

1. Dr. Kevin Smith USDA-Tree Physiology-*How Insects Affect Trees*
2. The Canadian Food Inspection Agency on three key invasive species;
Emerald Ash Borer
Asian Longhorned Beetle
Sirex Wood Wasp
3. The Canadian Food Inspection Agency & Ministry of Natural Resources –
Emergency Response Preparedness
4. Ministry of Natural Resources – *Messages to Landowners for Eastern Ontario*
5. Martin Streit, Stewardship Coordinator – *The Value of Your Woodlots*

(a full agenda is being finalized and will follow shortly)

July 10, 2008

8:00am -3:00pm

**101 Centrepointe Drive (Ben Franklin Place Council Chambers)
Ottawa, Ontario**

**Please register with Mary Humphries , Eastern Ontario Model Forest
613-258-8241 or mhumphries@eomf.on.ca**

As there is no charge for this workshop it is crucial you register by July 7, 2008 to have an accurate count for lunch and coffee.
