

## To those who expressed an interest in supporting the formation of a **Forest History Society of Ontario.**

In August of 2009, an application was made to Ontario for the incorporation of a not-for-profit *Forest History Society of Ontario*. The applicants were: Ken Armson, R.P.F. a Past President of the Ontario Forestry Association (OFA); Rob Keen R.P.F., OFA President; John Riley, Nature Conservancy of Canada; Dr. Mark Kuhlberg, Professor of Canadian History, Laurentian University and Michael Rosen, President of Tree Canada/Arbres Canada. The Society received its Letters Patent for incorporation on 9 September, 2009, and the applicants are now the founding Directors of this new Society.

The Ontario Forestry Association has kindly offered to take care of the administrative and financial affairs of the Forest History Society. The address for the Society will be that of the Ontario Forestry Association.

This an exciting time and the Directors encourage you to join us in making the Forest History Society of Ontario a robust leader in furthering the knowledge, understanding and preservation of Ontario's forest history.

A membership form is enclosed and you will note that the first Annual General Meeting is scheduled for February 4, 2010 at the Nottawasaga Inn, Alliston. We also are looking at starting two projects, both of which will involve the participation of members. We look forward to working with you in this new and important venture.

Yours sincerely,

Ken Armson, R.P.F. President-elect

# Forest History Society of Ontario

## Membership Form

### Thank You For Your Support!

The mission of the Society is : “To further the knowledge, understanding and preservation of Ontario’s forest history” and accomplish this with the following objectives:

1. To preserve forest and forest conservation history;
2. To encourage and further the development and recognition of forest history;
3. To support research and studies of forest history;
4. To support the archival preservation of records and materials relating to forest history, and
5. To promote the better understanding of forest history through public education.

One of the first projects, involving members’ participation ,will be the preparation of a catalogue of existing publications dealing with various aspects of Ontario’s forest history. It is anticipated that a Newsletter will be provided to members at least twice a year.

The first Annual General Meeting of the Society will be held on February 4, 2010 at the Nottawasaga Inn, in Alliston, Ontario.

Please fill out the membership form below.
