

Woodlot Management Workshops

Landowners with more than 10 acres of forest qualify for up to 75% in property tax reductions under the Ontario Managed Forest Tax Incentive Program (MFTIP). Find out how!

The Ontario Forestry Association is hosting a series of **free evening seminars** between August 8 and November 9, 2006 in various locations around Ontario. The workshops are being sponsored by the Trees Ontario Foundation. Please view the schedule below to locate the session most convenient for you.

These informative workshops will show you how to apply for tax relief under MFTIP, set objectives for your property, prepare a forest stewardship plan and identify local resources to assist you to achieve your management goals.

To enroll for a workshop or find out whether your property will qualify for the MFTIP call toll free at **1-800-387-0790** or email to info@oforest.on.ca. Each session is limited to approximately 30 participants.
